

A Happy New Year.

Let the New Year be to you
As a childish playmate new,
Stealing suddenly among
Almond boughs that overhang.

Gift from Aunt Mm-78

Greet him half
in confidence,
Half as ready
for defence!

Is he come to
tease or play?
Will he give or
take away?

Let him come as friend or foe
No New Year can overthrow
This our friendship that has grown
From the years that now have flown
